**Meeting of participants in the project “Project management for SMEs/NGOs - exchange of experience for trainers” in Iasi, Romania**

---

The third project meeting took place from 7. 10. to 9. 10. 2011 in Iasi, Romania. The workshop was organized by RO-Talent. There were 2 participants from University of Economics, Prague, 1 participant from Wisdoma s.r.o., 4 participants from Ozyegin University and 4 representatives from host institution RO-Talent.

The program consisted of informal part (orientation and sightseeing tour of Iasi) and the workshop at University of Iași organized by RO-Talent.

The main benefit of the workshop, besides meeting new participants from institutions in the Partnership, was an opportunity to meet representatives of local Romanian NGOs and SMEs, who prepared presentations about their activities and project management experience. There was also a following discussion based on presentations and workshop in small groups.

Further the workshop was used to present dissemination activities undertaken by each partner and to discuss ideas on the educational course to be developed for SMEs and NGOs.

Next meeting will take place in Prague in spring of 2012. It is supposed to be the final meeting, where all tasks will be closed and project outputs will be agreed.
